5.5 **Referee Committee:**

Master Robert Quon

“Since the reopening of events after COVID closures interest in becoming a provincial referee has grown. This has come from a variety of different clubs involving a diversity of people in ages, rank, and culture. The first referee seminar since 2019 was conducted on Sept 10th, 2022. At this seminar there were approximately 46 people. Eleven (11) people in attendance were there as athletes or coaches. There were twenty-two (22) people taking the course for the first time to become referees. It is hoped that we will see most of these people at events in the future. The remainder of the participants were either refreshing or upgrading. There were three (3) no shows. An updated referee list has been sent for posting on the website. Manitoba now has 38 certified referees. I would like to thank Master McKenna for her assistance in facilitating the seminar. I would also like to thank all those for coming and assisting in set up/take down. The first Taekwondo Manitoba referee seminar was conducted in 2010. I would like to acknowledge the individuals that attended the inaugural seminar in 2010 as well as near all offered and have continued to referee since at our local events as well as in neighboring provinces. Thank you, Masters Onyschak, Cielen and Pishak for your ongoing support. There are also several people that entered the program in 2011,2012,2013 and remain active. Without their support it would have been difficult to hold events. Thank you, Master Leigh Penner, Master Evelyn Hoogerdijk, Master Kelly McKenna, Larry Moore, and Brenda Camire.”
