

Dear State Legislator:

As a Missouri resident, I ask you to ***please support state regulation of guns*** that **both** respect the Second Amendment **while also** making sense for public safety.

I live in St. Louis City at

Something you should know about me is:

This is my experience with guns and public safety:

I hope that you will support legislation that addresses guns and public safety because:

Please help us. When you support legislation that reduces access to high-powered military-style guns and/or that gives our police officers the ability to remove a gun during a mental health crisis, you are **both** protecting Missouri's children, teenagers, and adults **while also** respecting the Second Amendment. **Thank you** for your time and consideration.

Sincerely,
