

./media_dev_allocator.sh au0828 snd-usb-audio

Media Device Allocator testing: unbind and bind
media driver au0828 audio driver snd-usb-audio

=====

Test unbind both devices - start

Running unbind of 1-1.4:1.0 from /sys/bus/usb/drivers/au0828

Media device should still be present!

crw-rw---- 1 root video 248, 0 Mar 28 15:23 /dev/media0

sound driver is at: /sys/bus/usb/drivers/snd-usb-audio

Device is: 1-1.4:1.1

Running unbind of 1-1.4:1.1 from /sys/bus/usb/drivers/snd-usb-audio

Media device should have been deleted!

ls: cannot access '/dev/media*': No such file or directory

Test unbind both devices - end

=====

Test bind both devices - start

Running bind of 1-1.4:1.0 from /sys/bus/usb/drivers/au0828

Media device should be present!

crw----- 1 root root 248, 0 Mar 28 15:24 /dev/media0

Running bind of 1-1.4:1.1 from /sys/bus/usb/drivers/snd-usb-audio

Media device should be there!

crw-rw---- 1 root video 248, 0 Mar 28 15:24 /dev/media0

Test bind both devices - end

=====
