white/spotted yearling ewe

This yearling ewe carries spotting and is our mixed carcass/dairy genetics. Her dam

is super milky ewe.

Yearling ewe

kh2516

Her sire a badger face ram is heavily dairy genetics and carries morrit.

Cricket is almost two **SOLD**

Cricket is a mouflon ewe that carries spotting. She will be two this season, she hasn't had a lamb yet but she's ready for a new flock. She has nice horns, fleece and feet.
