

Laify: Lyrics & Songs Maker Privacy Policy

Introduction

SyP ("we," "our," "us") respects your privacy and is committed to protecting the personal information you share with us. This Privacy Policy describes how we collect, use, and share data through our mobile application, Laify: Lyrics & Songs Maker ("the App"). By using the App, you agree to the collection and use of information in accordance with this policy.

Data Collection

When you use our App, we may collect the following types of data:

- **Usage Activity:** Information about how you interact with the App, including purchase history, content viewed, and areas visited.
- **Device Information:** Information about your mobile device, such as model, operating system, and unique identifiers.
- **Contact Information:** If you contact our customer support, we may collect your name, email address, and device information.
- **Log Data:** When you use the App, our servers automatically record certain information, such as your device identifier and other data, which we use for statistical and business purposes.

Data Usage and Sharing

We use the collected data to provide and improve our services. We may share your data with third-party service providers if necessary for safety, security, or legal compliance. We implement reasonable measures to protect your personal information and ensure the security of our systems.

User Rights

You have the right to modify, correct, and update your personal data in the App's account settings. You may also request access to your personal data, inquire about the types of data we hold about you, and request the erasure of your personal data.

Data Retention

We retain personal data as long as necessary to fulfill a business purpose or comply with legal requirements, subject to the restrictions imposed by law.

Children's Privacy

Our App is not intended for users under the age of 4, and we do not knowingly collect personal information from children under this age. If we become aware that a person

submitting information is under 4, we will attempt to delete the information as soon as possible.

Subscription Management

The App offers an optional Premium subscription. The purchase will be charged to your Google Play account. Once you're a subscriber, you can manage your subscription from Google Play or on your Android device after purchasing it. Deleting the app does not cancel the subscription. You may cancel the subscription at any time through Google Play.
