

The Noah Song

6/15/2026

Sylvia Dorham

When Noah was a boy

He learned to obey

What his parents had to say

And he found favor in the eyes of the Lord

Noah, help us with the work

There is no time to shirk

He did the work every day

As the sky turned grey

And found favor in the eyes of the Lord

When Noah was a man

He learned to obey

Whatever God would say

And he found favor in the eyes of the Lord

Noah, build yourself a boat

Strong enough to stay afloat

He built the ark every day

As the sky turned grey

And found favor in the eyes of the Lord

When Noah was an elder

He knew to obey

He did it right away

And found favor in the eyes of the Lord.

Bring the animals inside

Noah, don't forget your bride

He obeyed every day

As the sky turned grey

And found favor in the eyes of the Lord.
