THREE THINGS ABOUT ME!

THREE THINGS GAME

Prior to retreat, everyone responds confidentially to prompts/questions with a list of 3 answers that are true to them. (make sure their name is on each block). Collect all answers and student workers cut & fold them. Throughout day, read several of the blocks and the team tries to guess whose it is. At the end of day, whomever guessed the most wins a prize.

Can continue as a weekly meeting icebreaker and tally up final points at end of semester too
