Name: Bev Stroud	Intergroup (or unaffiliated group): Northern Lights Intergroup
Phone: 403-880-8926	Email: stroud96@hotmail.com
Address: 1308-2610 109 St NW	Date you joined OA: April 28, 2008
City and State or Province: Edmonton, Alberta, T6J5L7	Abstinence Date:
Have you ever been a Delegate to WSBC? No	Does your intergroup plan to send a Delegate to WSBC 2024?
List of service beyond group level: Group Representative at the Intergroup level for various home groups I have been a member of. 2011-2013: Treasurer with Southern Alberta Intergroup 2017-2018: Webmaster with Northern Lights Intergroup May 2018-August 2021: Intergroup Chair	
Why do you want to serve as a Region One Delegate to WSBC 2024? When I had the opportunity to be a Chair for my current Intergroup (NLI), I was able to see how underrepresented we were at the Region and World level. Many factors contributed to this, but the main ones were lack of sharing/educating our members about OA's service structure and the lack of connection with all members (prior to virtual meetings). Region One covers a wide spread geographical area with a diverse population of members. It would be a humbling experience to be able to be a delegate at WSBC 2024 and represent Region One. To be a part of making decisions for the common welfare of OA, while representing the members of R1. During and after being a R1 Delegate, I would share my experience both within my Intergroup and Regionally. Getting the word out about service at a different level and the benefits it can have both within my recovery community and world wide.
