A Thought to Ponder from The Urantia Book

Humanitarian Fellowship

“Humanitarian fellowship—love. The purely animal mind may be gregarious for self-protection, but only the spirit-indwelt intellect is unselfishly altruistic and unconditionally loving.”

[196:3-7](#)

人道主義的友情

「人道主義的友情——愛。純動物性的心智可能為了自我保護而群居，不過只有由靈所內住的智識才會無私地利他，並無條件地愛。」
