

Never be the Same

Camila Cabello

C
Something must've gone wrong in my brain

G
Got your chemicals all in my veins

Dm F
Feeling all the highs, feeling all the pain

C
Let go on the wheel, it's the bullet lane

G
Now I'm seeing red, not thinking straight

Dm F
Blurring all the lines, you intoxicate me

C
Just like nicotine

G
Heroin, Morphine

Dm
Suddenly, I'm a fiend and you're all I need

All I need

F
Yeah, you're all I need

C
It's you, babe

G
And I'm a sucker for the way that you move babe

Dm
And I could try to run but it would be useless

You're to blame

F
Just one hit of you, I knew I'll never be the same

C
It's you, babe

G
And I'm a sucker for the way that you move babe

Dm

And I could try to run but it would be useless

You're to blame

F

Just one hit of you, I knew I'll never ever ever be the same

C

G

I'll never be the same

Dm

I'll never be the same

F

I'll never be the same

C

Sneaking in LA when the lights are low

G

Off of one touch, I could overdose

Dm

F

You said "stop playing it safe, girl I wanna see you lose control"

C

Just like nicotine

G

Heroin, Morphine

Dm

Suddenly, I'm a fiend and you're all I need

All I need

F

All I need

[Chorus]

C

It's you, babe

G

And I'm a sucker for the way that you move babe

Dm

And I could try to run but it would be useless

You're to blame

F

Just one hit of you, I knew I'll never be the same

C

It's you, babe

And I'm a sucker for the way that you move babe

And I could try to run but it would be useless

You're to blame

Just one hit of you, I knew I'll never ever ever be the same

I'll never be the same

I'll never be the same

I'll never be the same

You're in my blood you're in my veins, you're in my head

You're in my blood you're in my veins, you're in my head

It's you, babe

And I'm a sucker for the way that you move babe

And I could try to run but it would be useless

You're to blame

Just one hit of you, I knew I'll never be the same

It's you, babe

And I'm a sucker for the way that you move babe
