Your Work Time

Complete the tasks in the order below:

1) Access and update your post-secondary tracker. Let your mentor know the current status of your applications - where have you been accepted, rejected, and wait-listed? Which schools/programs are you still waiting to hear back from?

2) Access your Award Letter Guide. Use your award letters to fill out the guide and understand what your financial commitment to each institution would look like.

3) Access your Fit Factor Guide. Compare and contrast your top 3 post-secondary options. You are working towards your final pathway decision!
