20-21 CGAAG 1

April 21, 2021

COMMITTEE ON GRADE APPEAL AND ACADEMIC GRIEVANCE

TO: The Academic Senate

FROM: The Executive Committee of the Academic Senate

SUBJECT: 20-21 CGAAG 1: [Grade Appeal and Academic Grievance](#) (GAAG) Document Update

ACTION REQUESTED: That the Academic Senate accept the proposed updates to the GAAG document as proposed by the Committee on Grade Appeal and Academic Grievance (CGAAG)

BACKGROUND:

The Committee on Grade Appeal and Academic Grievance (CGAAG) is recommending to the Senate that it approve the revised GAAG policy document as shown in this linked [Google Doc](#). In submitting this revised document to the Senate Office on April 19 for presentation to ExCom to place on the Senate agenda, the CGAAG Chair, Dr. Erica Wildy noted in her email that a prior revision in 2019-20 was not approved by Senate ([19-20 CGAAG 1](#)). The Senate minutes concerning this prior version can be found here (first reading [page 10/11](#), second reading [page 5](#)). It was returned to the CGAAG at the last meeting of the year May 5, 2020. The GAAG Committee has met multiple times to reconsider and update the GAAG document to reflect the concerns with respect to the previous proposed amendments to 19-20 CGAAG 1 and believe it ready to resubmit for approval. At its meeting of April 20, 2021, ExCom did not have time to adequately review this revised document which was shared with this background information with ExCom members on April 21 by email to consider adding to the Senate agenda. It was approved for addition to the April 27 agenda by unanimous consent (no emails responding in the negative).
