Notes:

What to know before opening your doors for worship:

Discovery - Information about the missional need

Discernment - Where or to whom am I being sent? Who will help me?

Deploy - Move to the community or activate. What is the story of this place? How will we make disciples here?

Model - What model are we going to use as a guiding framework?

Develop/Emerge - Activate your strategy. What organizational strategies or systems will keep us focused on making disciples?

Duplicate - How will we duplicate this process?
