

Privacy Policy for Cyber Tanks

Last Updated: April 30, 2026

MinMin Games Studio (developed by **Hosein Haqiqian**) ("we," "us," or "our") respects your privacy and is committed to protecting the personal information that you provide to us. This Privacy Policy explains how we collect, use, disclose, and safeguard your information when you play our mobile game, **Cyber Tanks** (the "Game"), available on the Apple App Store and Google Play Store.

By downloading, accessing, or playing Cyber Tanks, you agree to the collection and use of your information in accordance with this Privacy Policy. If you do not agree with this policy, please do not use our Game.

1. Information We Collect

We collect information in two main ways: information you provide directly to us (such as when you register), and information we collect automatically through our third-party partners.

A. Information You Provide to Us (Registration Data) To use certain features of Cyber Tanks, you may be required to register an account. During this process, we may collect:

- **Account Information:** Username, email address, and a secure (hashed) password.
- **Player Profile:** In-game nickname, avatar choices, and game progress/stats.

B. Information Collected Automatically When you access the Game, we and our third-party service providers automatically collect certain information about your device and gameplay, including:

- **Device Information:** Device type, model, operating system, and unique device identifiers (such as Apple IDFA or Google Advertising ID).
- **Log and Usage Data:** IP address, session duration, in-game events, and interactions with the Game interface.
- **Location Data:** Approximate location data (e.g., country or city level) derived from your IP address. We do not collect precise GPS coordinates.

2. Third-Party Services and SDKs

To provide, improve, and monetize Cyber Tanks, we integrate third-party Software Development Kits (SDKs). These partners may collect and process data on our behalf:

- **AppsFlyer (Analytics & Attribution):** We use AppsFlyer to understand how users discover our Game and to analyze player behavior. AppsFlyer collects device identifiers,

IP addresses, and in-app events. For more information, please review the [AppsFlyer Privacy Policy](#).

- **Unity Ads (Advertising):** We use Unity Ads to deliver personalized and non-personalized advertisements within the Game. Unity collects device information, IP addresses, and Advertising IDs to serve relevant ads and measure ad performance. For more information, please review the [Unity Privacy Policy](#).

3. How We Use Your Information

We use the collected information for various purposes, including to:

- Create, manage, and secure your in-game account.
- Provide, maintain, and improve the Game's functionality.
- Serve relevant advertisements through Unity Ads.
- Analyze user behavior and measure the effectiveness of our marketing campaigns via AppsFlyer.
- Respond to your customer support requests.
- Prevent fraud, cheating, and unauthorized access.

4. Sharing of Your Information

We do not sell your personal information to third parties. We may share your information only in the following situations:

- **With Service Providers:** As mentioned above, with third-party vendors (AppsFlyer, Unity) to facilitate their services.
- **Legal Compliance:** If required by law, regulation, or a valid legal request (e.g., a court order).
- **Business Transfers:** In the event of a merger, acquisition, or sale of all or a portion of our assets, user data may be transferred to the acquiring entity.

5. Data Retention and Account Deletion

We retain your personal information for as long as your account is active or as needed to provide you with the Game services.

Your Right to Delete Data: You have the right to request the deletion of your account and all associated personal data. You can request data deletion by:

1. Using the "Delete Account" option within the game's settings menu (if applicable).
2. Contacting us directly via email with the subject line "Account Deletion Request." Upon receiving your request, we will delete your registration data and game progress from our servers, except for data we are legally required to retain.

6. Children's Privacy

Cyber Tanks is not directed at children under the age of 13 (or under 16 in certain European jurisdictions). We do not knowingly collect personal information from children. If you are a parent or guardian and believe your child has provided us with personal information, please contact us immediately so we can remove such data from our servers.

7. Security of Your Information

We implement reasonable administrative, technical, and physical security measures to protect your personal information. However, please be aware that no method of transmission over the internet or electronic storage is 100% secure, and we cannot guarantee absolute security.

8. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted on this page with an updated "Last Updated" date. We encourage you to review this Privacy Policy periodically to stay informed about how we are protecting your information.

9. Contact Us

If you have any questions, concerns, or requests regarding this Privacy Policy or your personal data, please contact Hosein Haqiqian at MinMin Games Studio:
