

Privacy Policy for Arcana Flow

Effective Date: June 14, 2026

Arcana Flow is a tarot reading assistant app created to help users with tarot card meanings, reading layouts, clarifier cards, and reading script support.

Information We Collect

Arcana Flow does not currently require users to create an account.

Arcana Flow does not collect names, email addresses, passwords, payment information, saved readings, client details, or personal user profiles.

The app may allow users to type a question into the app, but this information is used only inside the app to create the reading script. It is not stored by us or sent to us.

How the App Is Used

Arcana Flow is for entertainment, reflection, learning, and tarot reading support only.

The app is not medical advice, legal advice, financial advice, mental health advice, or a guaranteed prediction tool.

Data Sharing

We do not sell user data.

We do not share personal user data with advertisers or outside companies.

Payments

Arcana Flow does not currently include paid subscriptions, in-app purchases, or payment processing.

Ads

Arcana Flow does not currently show ads.

Children

Arcana Flow is not designed for children. It is intended for general tarot and spiritual-interest users.

Changes to This Policy

This privacy policy may be updated if new features are added, such as accounts, saved readings, ads, payments, or subscriptions.
