

We Are Here for You (LYRICS) - *fake*. NmMindstorm (feat.
Ensemble)

INT. SCHOOL LOCKERS (OUTSIDE OF BATHROOM)

Will looks around the hallway. People, just as they were before, are minding their own business, ignoring him, but this time, he has the book. He walks to his locker.

MARY-KATE

You have to grow the fuck up. Do you think I like being made into some asshole? You don't know ANYTHING about me. Self pitying dickhead.

WILL

(Mumbling)

Fuck off.

MARY-KATE

What?

WILL

Go away!

The MARY-KATE takes out a little blade from his wallet.

MARY-KATE

What if I don't?

WILL

Oh, you're pulling a knife on me? Well, thank you so much for making this really fucking easy.

(Shouting)

HELP! MARY-KATE HAS A KNIFE! SHE HAS A KNIFE!

A teacher, Sam, runs out into the hall, notices the MARY-KATE and calls him into the room.

SAM

(Shouting)

You! In my office, and Will, get to class!

Mary-Kate bumps Will aggressively as he walks by him. After Sam and Will enter the classroom, Will keeps walking, and gets half-way up the stairs before stopping in his tracks, standing still for a few seconds, and sitting down before crying. He notices the book in his backpack out of the corner of his eye, and eventually grabs it. Will writes one sentence in the book.

WILL

I matter to people.

Will stands up and walks out of the stairwell into the hallway, Students turn their heads toward him.

WILL

Just what I thought... Damn thing doesn't-

Matt

Will, thank goodness you're okay!

WILL

Uh...

Brianna

Oh my God, Will, I am so sorry about what happened last night. Are you doing alright?

WILL

I'm okay, I mea-

CAT

It must be really hard, constantly
feeling ignored. I want to do
everything I can to help you.
Please, call me anytime you need.

WILL

I'm just gonna get... go—I'm gonna
get out of h—

Will is a little bit overwhelmed by all of the
attention, and turns back to the stairwell,
intending to go back downstairs, but instead,
bumps into a student.

NICK

Sorry I called you a faggot and
tripped you.
My conduct was cruel and absurd.
But I was so young, and I've
changed as a person
In the 2 hours since it occurred!

MARY-KATE

Sorry for pulling a knife on you,
Billy.
It was a metaphor. Couldn't you
tell?
See, the knife represented a
dangerous weapon,
And you represented yourself!

MICHAEL

Will you forgive me for stealing
your glasses?

THOMAS

For throwing your phone down the
stairs?

MARY-KATE

We used to hate you, and shun and
ignore you.
But now for some reason, we care!

ENSEMBLE

We are here for you,
Wherever you may go,
Whatever you may do,
You gotta know that

We are here for you,
Whenever you are happy,
Whenever you are blue.

IAN

Sorry for punching you, Will, but
if you think about Newton's 3rd
Law, your face hit my fist, so,
I'm kinda also a victim here...
But it's okay, I forgive you.

MARY-KATE

I spread the rumor that you hated
women.

WILL

I did NOT know about that!

MICHAEL

I spammed the chat on your stream.

WILL

YOU'RE catfucker75?!

THOMAS

I shot your dog in the leg, cus I
hate you,
And maybe that was extreme...

MICHAEL AND THOMAS

You have my word that we'll stop
being meanies.
We'll be your bestest of friends.
If you could find it in you to
forgive us,
We promise it prob(ab)ly won't
happen again!

THOMAS

I can repay the expense of your
cell phone.

NICK

And I understand that you're
straight.

MARY-KATE

We thought you were stupid and
worthless and stupid.

WILL

You said that.

MICHAEL

But now we can see that you're
great!

ENSEMBLE

We are here for you.
We only want to help,
Because we've been there, too.
So just remember

we are here for you.
And all the wrong we've done,
We wish we could undo.

WILL

It's like there is no nuance here,
It's purely black and white.

MICHAEL

We all were in the wrong,

MICHAEL AND THOMAS

And Will was always right!

ENSEMBLE

'Cause We appreciate who you are,
And all the music that you've made
for us.

Now that we know that your life's
so hard,
The least we can do is sing one
more chorus!

Oh, we are here for you,
Wherever you may go,
Whatever you may do.
You gotta know that

We are here for you.

MICHAEL

'Cause I'd give you a kidney.

MARY-KATE

And I would give you two.

ENSEMBLE

We'll be there for you.

THOMAS

We'll be there for you.

ENSEMBLE

We'll be there for you.

THOMAS

We'll be there for you.

ENSEMBLE

'till the spell wears off!
