

# Student Green Team Sign-Up: 2019/2020 School Year

The **Green Team** is for students in grades 1-5 who would like to learn more about the Earth and work on projects that help make our planet and school greener, cleaner and more environmentally friendly. The **Green Team** will meet during lunchtime on Wednesdays once or twice a month. However, to help prepare for the Taste of Hatch Patch, the **first meeting is Thur., Sept. 19.**

- “Chicago Textile Recycling” drive for items that are torn, worn and not donatable
- Recycling granola/energy bar wrappers to raise money to protect the rain forest
- Making crafts out of recyclable materials
- Helping to clean up and plant in The Hatch Patch
