Here's my plan for HS Juniors:

SAT

Follow this suggested testing schedule:

Step One: Plan to take the SAT on **March 8, 2025**.

Step Two: Take the SAT again on **May 3, 2025** to try to improve your score.

ACT

Step One: If you know you will prepare well, then you can take the **February 8th** exam. Otherwise, plan to take the ACT exam on **April 5, 2025**.

Step Two: Retake the ACT on **June 14, 2025**.

If you feel that you could use individual tutoring in addition to our online Methodize program, we can refer you to Tom Ehlers, a Princeton University graduate, who created Methodize. He has a tutoring firm with tutors that he has personally trained and they are prepared to help our College Channel members. They teach virtually or in person and have a test prep center in Mineola, NY. You can call them to discuss your options and let them know that you were referred by Jan and Tony Esposito at the College Channel.
