

The Day the War Was Over

Whole class

The day the war was over,
The sky was clear and blue.
The world took one deep
breath —
And hope came shining
through.

Group A

No more sirens in the night,
No more fear or flight.
We could walk in peace again,
And sleep in soft, safe light.

Group B

Flags flew high on every
street,
People cheered and danced
with glee.
Children laughed and voices
sang —
“We’re safe, we’re proud,
we’re free!”

Whole class

The day the war was over,
The bells began to ring.
The people of the nations
Found strength in gathering.

Call and Echo

Say it loud —
(*Say it loud!*)
Say it clear —
(*Say it clear!*)
We still remember —
(*We still remember* —)
Year by year.

Whole class

We thank the ones who gave
so much,
Who stood for what was right.
Because of them, we live in
peace,
And sleep in calm each night.

Small group

We wear our poppies proud
and red,
To honour all they gave.

Whole class

The day the war was over —
We promised to be brave.
