(OVER)

Please describe your child and their style of play. We would like to know how you see your child, in terms of temperament (as quiet/loud, outgoing/shy, cautious/physically very active, usually easy going or intense etc.). How has your child reacted so far to new situations and to children and adults outside the family? Any favorite activities or toys? Anything else you'd like us to know about your child?

Our school is a co-op: "an organization jointly owned and managed by those who use its facilities or services, and who share the benefits." Our current guidelines include the following requests of parents:

- 1) Participate in school activities
- 2) Support school fund-raising efforts
- 3) Spend 2 days or more in the classroom during the school year
- 4) Contribute snacks 1-2 weeks each year
- 5) Help with classroom cleanup 1-2 times a year

Please comment on how the co-operative aspect of our school affects your attitude toward the school; in what ways would you anticipate contributing to the school community?

Registration for the year beginning in September opens on January 1 for

- (a) those children who are currently enrolled
- (b) siblings of children currently enrolled
- (c) siblings of alumni.

Applications for all families new to the preschool opens on February 1. Acceptance of children for next year's class will be made on a rolling basis. You will be notified of acceptance, and if you wish to reserve a place in the class for your child, a registration fee will be due.

Have you had a child enrolled in SAP Co-op Preschool before? Yes_____ No_____
How did you hear about SAPCP?

SAP Co-op Preschool serves all individuals who are eligible for its programs in a nondiscriminatory manner, without regard to race, color, national origin, ancestry, religion, sex, sexual orientation, gender identity, marital status, disability, or age. The Preschool is not affiliated with SAP United Church of Christ, from which we rent our space.
