Guest Speakers

(Above) Chef Maki (pictured) and her husband (not pictured), owners of the Dub N Grub Restaurant in Miami Gardens engaged students in a demonstration on preparing vegan mac and cheese. They also shared the story of their journey into entrepreneurship and imparted knowledge on the pros and cons of their business.

AOHT Advisory Board Member Crystal Harvey, Owner of Your Savory Fare and Crystal Clear Hospitality brought her magic into the classroom by illuminating the room with her effervescence and transporting us to Careville (her city where love, honor, trust, respect, caring and sharing rule). She stimulated the students by bringing in items that allowed them to experience hospitality through the senses of taste, touch, smell, sight, and audio.

The Boivin LifeSkills Training Transitions program is a highly interactive, skills-based curriculum designed to promote positive mental health and personal development. This program helps young adults navigate the transition into the workforce and/or higher education.
