

Signing Into Adobe

This guide is meant to assist you with signing into Adobe software.

On the first launch of Adobe Acrobat DC, you will be presented with a Sign in pop up.

- Enter your UCSBNetID followed by @ucsb.edu in the Email address field (UCSBnetID@ucsb.edu), then click Continue. Please do not use any of the Continue with... buttons.

- On the next page, use the Company or School Account option.

- You should then see a UC Santa Barbara Log In page. Enter your UCSBNetID and Password, then click LOG IN.

- You should then see a welcome message. Click Continue to proceed.

Make Adobe Acrobat the Default PDF application

If prompted to Make Adobe Acrobat your default PDF application, check the “Do not show this message again” box and then select Yes.

NOTE: If at any point in the following steps you are prompted to put in a username and password, please contact AAIT for assistance.

- Click Continue to proceed setting Acrobat as the default application.

- Click the Change button to the right of the "Opens with" row.

- Choose Adobe Acrobat DC from the list that comes up, and then click OK.

- Click Apply then click OK.
