

AWAN Divestment Resolution

AWAN Divestment Resolution

WHEREAS after the Al Aqsa Flood on October 7th, Israel has been engaging in collective punishment and committing genocide for well over a year (declared by Human Rights Watch, Amnesty International) as well as mass starvation (International Criminal Court).

WHEREAS from October 2023 to October 2024, the US sent 17.9 billion dollars to Israel, funding weapons such as bombs and fighter jets that have caused death and destruction in Gaza.

WHEREAS universities nationwide have shown material support for Israel through investments and academic ties, despite growing opposition from the student movement.

WHEREAS since Oct 9th, 2024, 40,000 US troops have been deployed to Israel and the Middle East, causing nothing but harm and fear to the region.

THEREFORE, BE IT RESOLVED THAT the Anti-War Action Network:

- 1) Stands in unconditional solidarity with the Palestinian Resistance and focus its criticism on US support for Israel; and
- 2) Demands an end to US aid to Israel and the total withdrawal of all US troops from the Middle East, in solidarity with the people of Palestine and all those who suffer from US imperialism in the region.

BE IT FURTHER RESOLVED THAT that Anti-War Action Network member organizations shall:

- 3) Support local BDS movements and campaigns;
- 4) Build local campaigns that call for disclosure and divestment from Israel;
- 5) Continue to build or support local campaigns that call for disclosure and divestment from Israel;
- 6) Support and mobilize for national Days of Action called by AWAN; and

- 7) Build or continue to build relationships and participate in actions with the US Palestinian Community Network and other Palestinian solidarity networks.
