

8th Grade English/6th Grade Youth Leadership - Caleb Thurmon

Course Description

8th Grade English – Course Summary

In this class, students will strengthen their reading, writing, speaking, and critical thinking skills through the study of literature, nonfiction, and poetry. We will explore themes, analyze texts, and practice effective communication through essays, creative writing, and presentations. The goal is to prepare students for high school English while fostering a lifelong appreciation for reading and self-expression.

6th Grade Youth Leadership – Course Summary

This course focuses on building leadership skills, personal responsibility, and teamwork. Students will learn how to set goals, communicate effectively, solve problems, and make a positive impact in their school and community. Through activities, projects, and real-world applications, students will develop the confidence and skills needed to lead both themselves and others.
