

Senior Spotlight – Adriane Liverman

Nickname: Ash

Best Sanborn Memory:

Going to States for bowling during my sophomore year.

Accomplishments:

- Honors

Plans After High School:

After high school, I plan to attend college to become a registered nurse and work in pediatrics. My goal is to help kids feel better, gain financial independence, and potentially continue my education to become a doctor.

Staff Reflections:

Ash is a student I really enjoyed having in both my Biology and Marine Biology classes. She is incredibly creative, confident, and true to herself. I first saw this when she shared her photography, and later through the unique and artistic projects she created in class. What many people may not know is that Ash has taken on a significant amount of extra coursework to finish high school early, showing impressive discipline and motivation. I am so proud of everything she has accomplished! — Ms. Berenson
