

How to Join the BFR Slack:

From Desktop:

- 1. Navigate to http://ucla.enterprise.slack.com/.
- 2. Log in with your UCLA credentials:

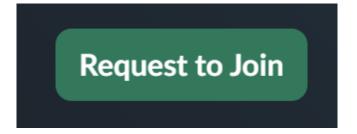

3. In the search bar, search for "UCLA Campus Community"

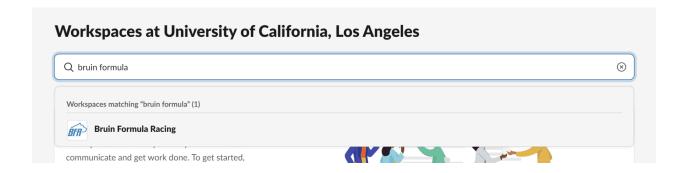

4. Click 'View Details' and 'Request to Join' (honestly idk if you have to request to join this one but just as a precaution this instruction is here. Regardless, make sure you join it).

5. Then, in the search bar again, search for "Bruin Formula Racing," and repeat step 4 for our specific workspace.

- From there, we will accept you into our Slack! You should see all the subteam channels and all the general channels (announcements, general, introductions, etc.)
- 7. We highly recommend downloading the Slack Desktop app so you don't have to use your browser. You should be able to log in to your g.ucla.edu account inside the app and access the Slacks you joined from the web browser.

From Mobile:

 Lowkey it should be the same steps as for Desktop outside of downloading the Slack app from whatever app store you use. You just need to be sure that the email you logged in with is @g.ucla.edu and not just @ucla.edu.

Troubleshooting:

1. If you are able to get on the Slack on your computer but not on your phone, follow these steps:

a.

 If nothing is working, navigate to <u>my.ucla.edu</u>, log in, and go to Settings > Official Email Address/Phone

Then edit your Official Email to be your @g.ucla.edu email. Make sure it is not @ucla.edu or gmail or anything other than @g.ucla.edu.

Please email <u>luke.chang@bruinracing.org</u> with "BFR SLACK PROBLEM" in the subject and your ucla email if you are still having trouble after trying everything on this page.
