As we dug into our Chamber history it was interesting to note that it was all about the men in the early years. 21 men started the Chamber, but now, 150 years later, women are a mighty force in the Chamber of Commerce world!

A 2019 study found that 63% of chambers are run by women, and we daresay that number has increased even more since then. This includes our own fearless leader Becky Bartoszek, who does an amazing job running the Fox Cities Chamber - and we think A.L. Smith would agree!

In 1985 the Chamber's tourism committee morphed into the freestanding [Fox Cities Convention & Visitors Bureau](#)! Originally a department of the Chamber, it is now a separate entity focused on destination marketing for the community. We think our founding board president (A.L. Smith) would be proud that the Fox Cities has become such a tourist destination!

If you missed our Summer Golf Outing, not to worry - we have our Octoberfest Golf Outing coming up on September 19! And A.L. Smith (our original founder) will be there himself to help us celebrate our 150th anniversary year 🍷

The four-person scramble begins with a celebratory toast (Prost!), and beer and food samples will be available along the course 🍷🍷 It's a taste of what's to come at this year's Octoberfest! On the course, you will enjoy Octoberfest-themed games, includ... See more

Don't forget - [License to Cruise](#) and [Appleton's Octoberfest](#) are less than two weeks away! We hope to see you at these beloved annual community events which support non-profits and vendors from all over the Fox Cities. And while our founder (A.L. Smith) may not have been here for the first ever Octoberfest, we're sure he would have loved it!

You can learn more details about the events here:
