

Information for Juniors - Class of 2026

Attention Juniors: The time has come to think about and start preparing for your Senior Year at PHS! We have put together this document: [Memo to Juniors - Class of 2026](#) with information from our school nurse, post secondary, graduation prep (cap & gowns / diploma), and yearbook (senior portraits & profiles). All this information will be handed out in September. We encourage seniors to get your yearbook portrait taken over the summer. Keep in mind that **the deadline is November 1st** for **all** senior related information mentioned in this memo.
