## THE CHARGER CHRONICLES

### *Happy Spring JVS Families!*

With April break in the rear view mirror, the end of the year comes quickly. As we begin wrapping the school year it can be a very busy time for school events. If you haven't already, please follow the Jefferson Village School Facebook page for up to date information, announcements and to get a sneak peek at the amazing things happening within the school. There is also lots of information on the JVS website!

Speaking of information, if you let your child's teacher know about an absence or if they have a change in transportation be sure and include [jvsoffice@aos93.org](mailto:jvsoffice@aos93.org) as well in the email. Most of the time the office receives the information and we thank you all for that. However, there are still instances where there may be changes without the office knowing. It is important that Maggie or Casey know absences or changes so we can be sure our students are logged appropriately for excused absences and so we can ensure students are going to the right place or being picked up by the right person at the end of the day. Thank you all for your efforts.

Our 7th grade will be visiting Kieve for the Leadership School from Monday May 8th-Thursday May 11th. Students will return to school by noon on Thursday and finish the day at JVS.

I hope everyone comes out and supports JVS and the PTA by participating in the Jubilee this year on Friday May 5th. It will be back to the "pre-Covid" format that includes a spaghetti dinner.

For our 5th-8th grade students, mid-trimester progress reports will be sent home on Monday May 8th.

NWEA and MEA testing will take place in May. We will be communicating home with dates for testing. It is important that students get plenty of sleep and are prepared each day for school and especially on testing days as it requires prolonged focus and concentration. We want all students to be at their best.

Looking ahead, there will be a teacher workshop day on Friday May 26th. There will be no school for students that day. The last day of school at JVS will be Thursday June 15th. We will have an early release that day beginning at 11:45.

We seem to have had a prolonged stretch of rainy unsettled weather. Here's hoping for more bright skies and warmer weather. Have a great spring!

~ Mr. Adickes

Please mark your calendar for our Spring Concerts on Wednesday, May 31st. The K-4 concert will start at 5:30pm and the 5-8 band/chorus concert will start at 7pm. We hope to see you there!

The Jefferson track and field team is underway for athletes in grades 5-8 and has their first track meet on Thursday, April 27th. If you would like to check out a track meet and support the team, here is the schedule:
