Subject: Enrollment for the 2024 Nurse Leader Accelerator Course

I am writing to request budget approval to participate in the Nurse Leader Accelerator™ program, the New Nurse Academy 2023 signature program January 14 – March 31, 2024. In doing so I will experience opportunities to virtually connect with other staff Nurses across the nation, and gain valuable insights and knowledge on leadership in nursing without incurring the cost of travel and lodging and losing additional time away from work. In addition, more team members can attend and gain shared knowledge to begin implementing right away.

By participating in this program, I will be able to:

- Define styles of Leadership and create an authentic leadership identity
- Utilize emotional intelligence in leadership as a Charge Nurse & Preceptor
- Manage and resolve conflict & crisis with emotional intelligence
- Create pathways to be an equitable, inclusive and culturally competent Nurse
- Role model effective and efficient teamwork and bedside leadership
- Elevate your leadership style to meet the distinct challenges of Nursing
- Develop strategies for planning and engineering organizational change and innovation initiatives

I am seeking <your company>'s support for registration for the Nurse Leader Accelerator™ program. I understand my attendance in this course is an investment of both time and money

The specific benefits to our facility resulting from my participation at this year's Nurse Leader Accelerator™ online program are substantial, making this an appropriate use of our education budget.

I appreciate your consideration of my request. If further information is needed, please let me know.
Sincerely,
