This is the scope for the Advance Division for OAE 3 2026 on chart studies that will be featured within the advance bracket (but this tournament's bracketing will remain anonymous - **so it depends on how these songs given below will be structured under the bracketing**). Make sure you refine your chart knowledge on these chart studies. These are Yuisin's homework on charts given in advance studying. **I am not giving ALL THE SONGS in the bracket, only ones that are necessary for advance practising:**
