

Name: _____

Get Ready for Zero Waste October!

For the entire month of **October**, students and their families at our school will be asked to make choices that reduce our landfill.

During this last week of September, we'd like you to do a little research. A family member can help you (we'd recommend wearing gloves if you feel the need to!)

Do you have a compost container in your kitchen at home? _____

If yes, what types of things does your family put in there?

Does your family recycle? _____ always _____ sometimes _____ usually not

Look into your kitchen garbage can (make sure it's on a day when it's pretty full). Describe what you find in there: _____
