

- When I was young it was interesting to see how mom changed **by doing** make-up. The reason I got attracted to make up was that I could **fulfil my flaws** and transform **like** another person. My interest got even bigger when I **started makeup** in university.
- I tried to buy every product of SCP which is weekly event product and tried it out. So I could give a lot of details to customers.
- I am sure my interest in this area is greater than other candidates.
- I am applying for the position of oversea sales department as advertised....

- If I could have the opportunity to get the job I will be quite appreciative .
I Entered the university in March 2013. I expected graduation in February 2019. I earned two scholarships. I admitted based on top tier high school grades.
- I am not only fluent in Korean and English but also aware of students' needs quickly and able to appropriately address them.
- With experiences of working in the service industry, I trust that producing service things is right for me. From my restaurant service experiences, I learned that the speed of producing service that customers are able to feel satisfaction with meeting their needs is really important to them.
- I was really excited to see your job advertisement as flight attendant position on the web site. Please accept this letter and check the my resume.
- In addition, I can speak fluent English and Korean, so I can associate with co-worker from different countries and cultures, and I can understand well with customers.
- In addition, I can speak fluent English and Korean and certain Chinese. Although I have worked only in Korea, I have always worked with foreign members together, so I affirm I can work well with colleagues from various countries
- I believe I have no problems in communicating with foreigners. By doing volunteer, I learned to listen to people
- I have different kinds of backgrounds that I can offer to you.
- By working in Haeundae Tourist Information Center, I've known every corners of nearby area, and possible to inform the customer when it's needed better than anyone.
- I want to take charge the role of 'Mouth' in this team.
- I am not a leading character, but I can play my role silently.
