

## **PLEASE JOIN ME IN WELCOMING BLAKE OFFICIALLY TO THE TEAM!**

@channel: A Nashville native of 13 years, @Blake Stratton is joining our team as a Sales Associate. You may recognize him from 2018's Full Focus Planner testimonial videos, where he shared the benefits the planner had on his consulting business. Blake first developed his love for sales and marketing first while working in the music industry as a musician and songwriter. But most recently before joining Michael Hyatt & Co., he was consulting with small businesses as a marketing writer and strategist. He's driven by his connection with Jesus, fascinated by his beautiful wife Alaina, and excited to be welcoming their first child to the family this summer. If you want great coffee recommendations or strong opinions on the Chicago Cubs, Bears, or Bulls, Blake has you covered!

And what would an official intro be without personality assessment results? Blake is an Enneagram Type 4, and his top five strengths are: Relator, Activator, Intellection, Responsibility, Strategic.

And @Blake, when you have a moment please respond to the team with your responses to these questions. Again we're so glad to have you on the team!

- 1) What was your favorite childhood toy?
- 2) Would you rather be a hot or a cold drink? Why?
- 3) What is your favorite TV show and why?
- 4) What do you do for fun on a quiet, Saturday afternoon?
- 5) If you could invite five famous or noted people (past or present) to dinner who would you choose?
