## Introducing Myself

Hello there! It's a pleasure to have a moment to introduce myself! I think it's important to tell you that I have an interesting and diverse background in education and experience. I have great conversation skills and keep up with current popular culture in the art and gaming world! My portfolio I've shared with you demonstrates that I can do just about anything under the sun with art, and that I can do it well! I can quickly and effectively learn new skills as well, that's great especially for a fast paced environment or a small business where I may be given many responsibilities! I've also been teaching online for over a year with homeschooling students officially, and would like to broaden my horizons!

My greatest desire is to work in the Creative Field and I would love to start that journey by working for you! You sincerely won't regret giving me an opportunity!

Please feel free to contact me with any further questions!

---

### McDonalds / Customer Service

June 2016 - June 2020, Lititz Pike, Lititz PA

Here besides learning how to efficiently count cash, clean, cook, and prepare drinks, I most importantly learned to effectively multitask, manage my time, work efficiently, and communicate proactively.

### Art Tutor / (Freelance) Local Homeschooling Co-op

March 2021 - Present, Online

Helping develop and bring out the most in others talents I greatly enjoy doing. I write out lesson plans and make specially tailored presentations and assignments for my students as I work with them.

### Freelance Jack-of-All Trades Artist

March 2021 - Present, Online

I love art in all forms of art and have extensive experience with many medias.

---

## Education

- ❖ Currently Studies at The Academy of Art University for a BFA in Art Education.

- ❖ Certificate of Accomplishment Introduction to Python from DataCamp

- ❖ 1 Year at George Mason University for Honors Criminology.

---

## Academy of Art University in San Francisco / BFA in Art Education

August 2021 - Present, San Francisco, CA

Currently I've learned to effectively: teach others new skills, communicate, write, draw from life, paint, use photoshop, sculpt, and printmake. I have a keen eye for detail that both my educational backgrounds have been fine tuning from many different avenues.

## Certificate of Accomplishment Introduction to Python from DataCamp

Earned May 30, 2022

I learned how to code efficiently and analyze code errors.

[Post Of Certification](#)

## George Mason University / Honors BS Criminology

August 2020 - July 2021, Fairfax, VA

I effectively learned: how to interrogate, gather information, investigate, research, profile criminals, profile in general, writing, and advertising.

---

## Awards

- ❖ Lancaster Museum of Art
- ❖ Principal's Choice Award

---

I had an art piece selected to be displayed in the Lancaster Museum of Art while I was in High School while simultaneously winning an award from my school to hang my piece in the front office. I won \$200 for the piece. Below is the piece.
