Islamic Center of Fort Pierce

6 hours ago

We condemn this monstrous attack and offer our heartfelt condolences to the families and loved ones of all those killed or injured. The Muslim community of Fort Pierce joins our fellow Americans in repudiating anyone or any group that would claim to justify or excuse such an appalling act of violence.

According to public records, he had a permit to carry a concealed weapon and was a licensed security guard. He had worked for G4S, a security company. His ex-wife said that at one point Mateen worked as a guard at a nearby facility for juvenile delinquents.
