

RPA High School Clubs
2025-2026 School Year

New Club? → [Club Application Here](#)

- 1. If you are a student leader of an already established club, please communicate with your staff leader and decide the meeting schedule. Share with [Laurel Eberhart@rpacademy.org](mailto:Laurel.Eberhart@rpacademy.org) asap.
- 2. If you are interested in starting a club at RPA, first look at the list of clubs from last year. If it is already listed, you might reach out to the student rep or staff advisor first!
- 3. If your idea is not on the list, go ahead and complete the Club Application.

We’re excited for an awesome year of student clubs on campus!
