

Parent FAQ

- **What's new this year?**
 - It is now a school wide directive that all cell phones will be placed in the cell phone caddy at the front of class by the start of class every day.
 - If a child refuses to place a cell phone in the caddy that will lead to a behavior referral.
 - Please be patient with teachers while we communicate with you about if your child has a phone or not. We want your students' instructional time to be just that, a time to learn.
 - Parents will be receiving weekly emails to update them on their students' grades for all classes. Please use this as a way to keep your students accountable and reach out with any questions.
- **How do I get in touch with you about my child?**
 - Email me at Jessika.crowe@henry.k12.ga.us
- **What does my child need for this class?**
 - Flip to the back of this page
 - Please see the supplies list on [Mrs. Crowe's Website](https://sites.google.com/henry.k12.ga.us/mrscrowescience/home) (<https://sites.google.com/henry.k12.ga.us/mrscrowescience/home>)
- **How do I know what work my child has for the week?**
 - If you have a planned absence and want specifics please email me.
 - If you are trying to keep your child accountable follow google classroom assignments and assignments placed in Infinite Campus. If there is any confusion, please feel free to email me.
- **What if my child is absent, how do they know what to do?**
 - Check google classroom or [email me](#)
- **What if my child has a missing assignment ?**
 - Any assignments not turned in on time will be a zero in the grade book. (please read below for recovery opportunities)
 - No late work will be accepted in this course.
- **Will my student have an opportunity to reassess or replace missings?**

- The unit tests will act as a reassessment of the missing and zeros in the gradebook for that unit. **
PLEASE ENCOURAGE YOUR STUDENT TO STILL COMPLETE ANY MISSING OR LATE WORK FOR PURPOSE OF UNDERSTANDING THE MATERIAL AND PREPARING FOR THE TEST.
- The 9 week benchmarks will act as a reassessment for prior unit tests and will replace applicable lower test grades in the grade book
- **How can I check my child's grades and progress in your class?**
 - Log into infinite campus found on the [Ola Website](#) to see current grades. (do not use google classroom as a grade checker, it will not be updated)
- **Where can I find class information such as expectations, syllabi, binder set up, mandatory open house parent and student surveys?**
 - My website, this can be found by navigating through the [Ola Website](#) or my going directly to [Mrs. Crowe's Website](#)
