Dear Parent/Guardian,

Pursuant to N.J.S.A. 18A:7C-6.6, by October 1st, the West Long Branch School District is required to annually notify parents and guardians of any statewide student assessments or commercially developed standardized assessments that will be administered over the course of the school year.

Attached to this letter you will find the Betty McElmon Elementary and Frank Antonides's assessment calendars for the 2025-2026 school year. These documents note the following:

- Name of assessment
- Content area being assessed
- School/grade levels being assessed
- Approximate window of time for administration
- Origin of assessment: federal requirement, state requirement, district/local assessment

All accommodations or accessibility features that are noted in students' Individual Education Plans or 504 Plans will be made available to students for these assessments.

If you have any questions, please feel free to contact me at (732) 222-5900, extension x1301. Thank you for your continued support of the West Long Branch School District.

Sincerely,

*Jourdan Irons*
