For the monologue write a one page story. It should be in first person and should use at least one of the topics I proposed.

For the duet acting scene, this should be in dialogue. You can add stage directions if you want but it needs to be two pages. You should also make this into a story. Remember: Beginning, Middle, and End.

You DO NOT have to record this but you must submit a written assignment. Acting it out is a bonus!!

Be creative!!
