Dear [First Name]

It is my pleasure to invite you to the exclusive Allan and Gill Gray Philanthropy 2019 Kenya National Awards Ceremony on Saturday 3 August 2019, where we will honour the top performing students of our Young Entrepreneurs Training and #AGEC19_KE programmes [Invitation Attached].

Your role in the [Insert Programme(s) Name] programme has been critical to its success this year, so this ceremony is also about recognising and celebrating your contribution in 2019.

Joining you will be some of the most exciting people in Kenya's entrepreneurial ecosystem to share their experiences, offer advice and inspire our learners.

Our Awards Ceremonies are not about sit down dinners or long boring speeches. Instead we offer a fun, interactive experience for our guests, which promotes networking, collaboration and creativity. Be prepared for pitches, puzzles, games, live music, incredible food and a big celebration of our top performers from 2019.

Attendance is by personal invitation only. RSVP is required at: WWW.BIT.LY/AWARDS_KENYA

I hope to see you there!

Best regards,
