Tina Davis - 5th Grade Teacher - CBS

Tina teacher who consistently goes above and beyond to connect with her students, creating engaging learning experiences that foster confidence and excitement about school. She implements a "student of the day" program, encouraging students to strive for their best and sharing this positive news with parents via email. These communications are highly valued, and she even creates personalized acknowledgements for students who receive this recognition. Tina demonstrates creativity, thoughtfulness, and dedication—all hallmarks of an exceptional teacher. Notably, Tina dedicates her personal time to connect with students outside of school hours, attending their extracurricular activities, such as dance recitals and sporting events, and supporting them at community events. She is also actively involved in after-school programs. These efforts exemplify her commitment to building strong relationships with her students and other students in the community. It is clear that students are fortunate to have Tina as their 5th-grade teacher.
