<p><b>Style:</b> <i><b>Vicious As Fuck.</b></i> She's gonna throw you around. Beat you from pillar to post. And absolutely refuse to let up until you stay down. Unmitigated violence til the bell rings, then she'll let up.</p>	<p><b>Gimmick:</b> <i><b>The Pitbull</b></i> - Serena was taught from a very young age that the world was a kill or be killed kind of place. To say she didn't exactly have the most <b>loving</b> upbringing would probably be an understatement. You kick a dog enough times, it learns to snap no</p>

<p>Most of the time. She's still working on that bit.</p>	<p>matter who's holding out a helping hand. Needless to say, trouble found Serena, and when it didn't, she sought it out.</p> <p>"Restorative justice intervention", they call it. Community service, juvenile detention, all that shit. One of the folks she came across in the system took an interest. Ansel Rheiss tried to help Serena out. Give her some focus. Some training. Make a wild animal into...well, something just as dangerous, but a little more focused.</p> <p>It was a successful experiment. Somewhat. They were getting there.</p> <p>Then Ansel died, and Serena lost that focus. The dog went a little bit rabid again.</p> <p>Maybe Glass Jaw can get her back on track. Or at least, put her back on a leash, from time to time.</p>
