

Facilitation Sign-Up

Below, please add your name next to **two** different weeks that you will practice as a facilitator of our group discussions. You will share a week with several other course participants. If you haven't signed up by Sunday then I will assign you a week. You will be assessed based upon the [Facilitation Rubric](#).

Feel free to switch with a peer if you want or change any tripled up names to a different time. It's okay for more than two people to facilitate each week
