He Knows

Jesus took on all our pain

Our sorrows and our sins

He suffered more than words can say

For all the
hurt that's ever
been
He knows how
to comfort me

And He knows how to heal
I can turn to Him

for peace

For He knows how I feel

He knows every tear I cry

And every time I

fall
My deepest hopes my darkest times

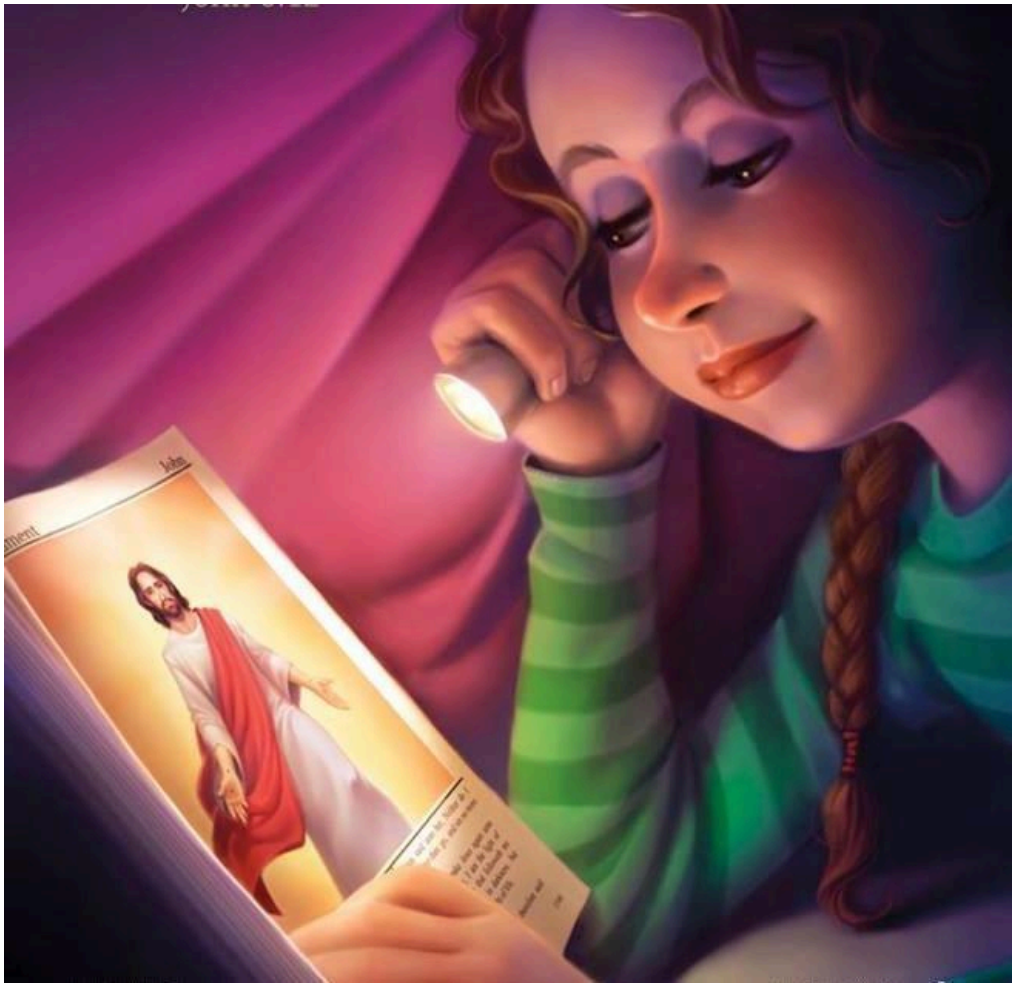

I know Jesus felt them all
He knows how to comfort me

And He knows how to heal
I can turn to Him

for peace

For He knows how I feel
No one else has

suffered so

Or bled from every pore
No one else has

given all

No one loves me more
