

DOWNLOADING AND UPDATING APPS ON THE iPad

1. Click on the the App Store icon

2. Choose the **Purchased** icon at the bottom of the iPad. Click on the tab at the top that says **Not on This iPad**. Click on the cloud with the down facing arrow against each App that you want to download.

3. Then choose the **Update** icon on the bottom of the screen and choose '**Update All**'

The iPad may ask for our school's username and password. They are:

Username: Bppsteachers@gmail.com

Password: ***Echidna1!***
