

Laptops and Chargers & Google Permission for School Year 2025-2026

All students in K-12 have been issued a SMCPs laptop and charger. The **laptops and chargers** are the property of SMCPs and come with the same responsibility as any other **school issued** resource. Parent(s)/Guardian(s) and students should visit the SMCPs Website to review the SMCPs Student Handbook and the Code of Conduct which all outline information in regards to reporting damage, costs incurred for damage or loss, and the consequences for damage to school issued property. As of July 2025, **current** pricing is below:

Replacement Parts - Laptops

Item	Cost
Keyboard	\$60.00
Screen	\$80.00
Replacement Charger Cost	\$35.00
Battery damaged or lost	\$85.00
Hinge replacement	\$40.00
Internal Damage (includes spills) replacement motherboard	Full cost of device
Full Replacement Cost	\$350.00 (laptops) \$818.00 (VIRTUAL ACADEMY laptops)
Other internal parts damage (example: headphone jack)	<i>Varies dependent upon the repair</i>

Anytime a fine is assessed it is accounted for in a student's Destiny account. Destiny Resource Manager is how we check out both print and electronic resources to all SMCPs students. This platform integrates with [My School Bucks](#). If a fine is assessed, an invoice is generated in My School Bucks allowing parents a way to pay the debt online.

- **Students are responsible for their laptop chargers. Please label to prevent loss.**
- **Students are responsible for the care and upkeep of their device.**
- All fine notices for laptop loss or repair are sent **via email** from Destiny and will give you the amount owed and a few details of the fine type.

All laptops and chargers are the responsibility of the student. This **includes the summer**.

The only time a laptop or charger is returned to the school is when a student is graduating or leaving SMCPs.

Below is a listing of all of the resources that outline the care and responsibility of SMCPs issued devices.

1. [Device Accountability Document](#)
2. Helpdesk: [Student Directions](#)
3. [Newsletter](#) (includes all of the above information)
