

Whereas the SHLA bill wasn't worded particularly well

Whereas this statute made harmful drugs one of the least regulated substances in Great Lakes.

Be it enacted by the People of the State of Great Lakes, represented in the General Assembly,

Section 1. Short Title

This act may be cited as, "The SHLA Amendment Act."

Section 2. Definitions

Steroid - Anabolic-androgenic steroids (AAS) such as, but not limited to, Testosterone in its various esters, Dianabol, Winstrol, Nandrolone, Anavar etc. Also included are all drugs considered to be "post-cycle therapy" such as Clomid. Generally classified as Controlled Substances Code Number 4000.

Hallucinogen - Hallucinogenic drugs currently restricted in Jefferson. Formally defined as having a Controlled Substances Code Number between 7000 and 7999. This includes, but is not limited to, Lysergic acid diethylamide (LSD) (7315), 3,4-methylenedioxymethamphetamine (MDMA/Ecstasy) (7405), Dimethyltryptamine (DMT) (7435).

Public Space - A place that is generally open and accessible to people. Such as but not limited to roads, parks and streets.

Selling license - A license required to sell hallucinogens or steroids

Section 3. Mandatory Minimum Selling Age

a) Any institution selling these substances shall not sell them to anyone below the age of 21.

b) Anyone caught selling Hallucinogen or Steroids to anyone under 21 years of age will be subject to a fine of 1000\$. This figure will rise and fall with inflation.

Section 4. Counties, Cities and towns

a) Counties, cities and towns are permitted to put restriction on these substances if they so wish. These may include but are not limited to raising the minimum age, banning the substances altogether, regulating usage.

Section 5. Vendor's License

a) Vendors can apply for a Vendor's license to the Department of Health. Although the Department will ultimately set the regulations, quantity and requirements for the license.

b) Vendor's may only buy hallucinogens or steroids from Great Lakes licensed production manufacturers

c) Vendors are not allowed to advertise their business on their shop windows showing that they sell any of the products permitted by the SHLA bill.

d) A minimum price to apply for such a license will be \$500.

Section 6. Advertising

a) Both Steroids and Hallucinogens will not be permitted to be advertised neither on TV, radio, newspapers, leaflets nor anywhere in public space. Any company found to be doing

this will be subject to a 10,000\$ fine for each ad. Figure set to rise and fall with inflation.

Section 7. "Sin" Tax

- a) A tax shall be applied to all SHLA related substances at 50% from which a quarter the proceeds will go to the state police and three quarters shall go to drug rehabilitation centres established by the Department of Health.
- b) The minimum selling price for any quantity of the SHLA related substances will be 5\$

Section 8. Warning

a) All packages containing steroids in them that will be sold to customers must have the warning in at least font size 7, Times New Roman in Black with an white outline

"Attention, using this may result in

- Aggressive behaviour
- Mood swings
- Manic behaviour
- Liver or kidney failure
- Stroke or heart attack
- High Cholesterol
- High blood pressure

Use at own risk, if in danger call 911"

b) All packages containing Hallucinogens in them that will be sold to customers must have the warning in at least font size 7, Times New Roman in Black with an white outline

"Attention, using this may result in the following

- Mood Swings

Always be in a safe area with people you trust when using. If any danger arises call 911".

Section 9. Drug free areas

a) Steroids and Hallucinogens are fully banned from being used on public land such as roads, parks and streets. Anyone found using these drugs in these public areas will be fined 100\$ for a first time usage but not noted on a criminal record, 200\$ for a second time usage but this time noted on a criminal record and then 500\$ each subsequent time. These figures are subject to rise or fall with inflation.

Section 10. Constitutionally

a) If any provision of this bill shall be found unconstitutional, unenforceable, or otherwise stricken, the remainder of the bill shall remain in full force and effect, unless such striking or removal of a provision or passage renders the entirety of the bill's purpose unattainable, in which case the entirety of the bill shall be rendered null and void.

Section 11. Implementation

This Act will be effective 50 days after passage into law.
