

How do you measure my dad?

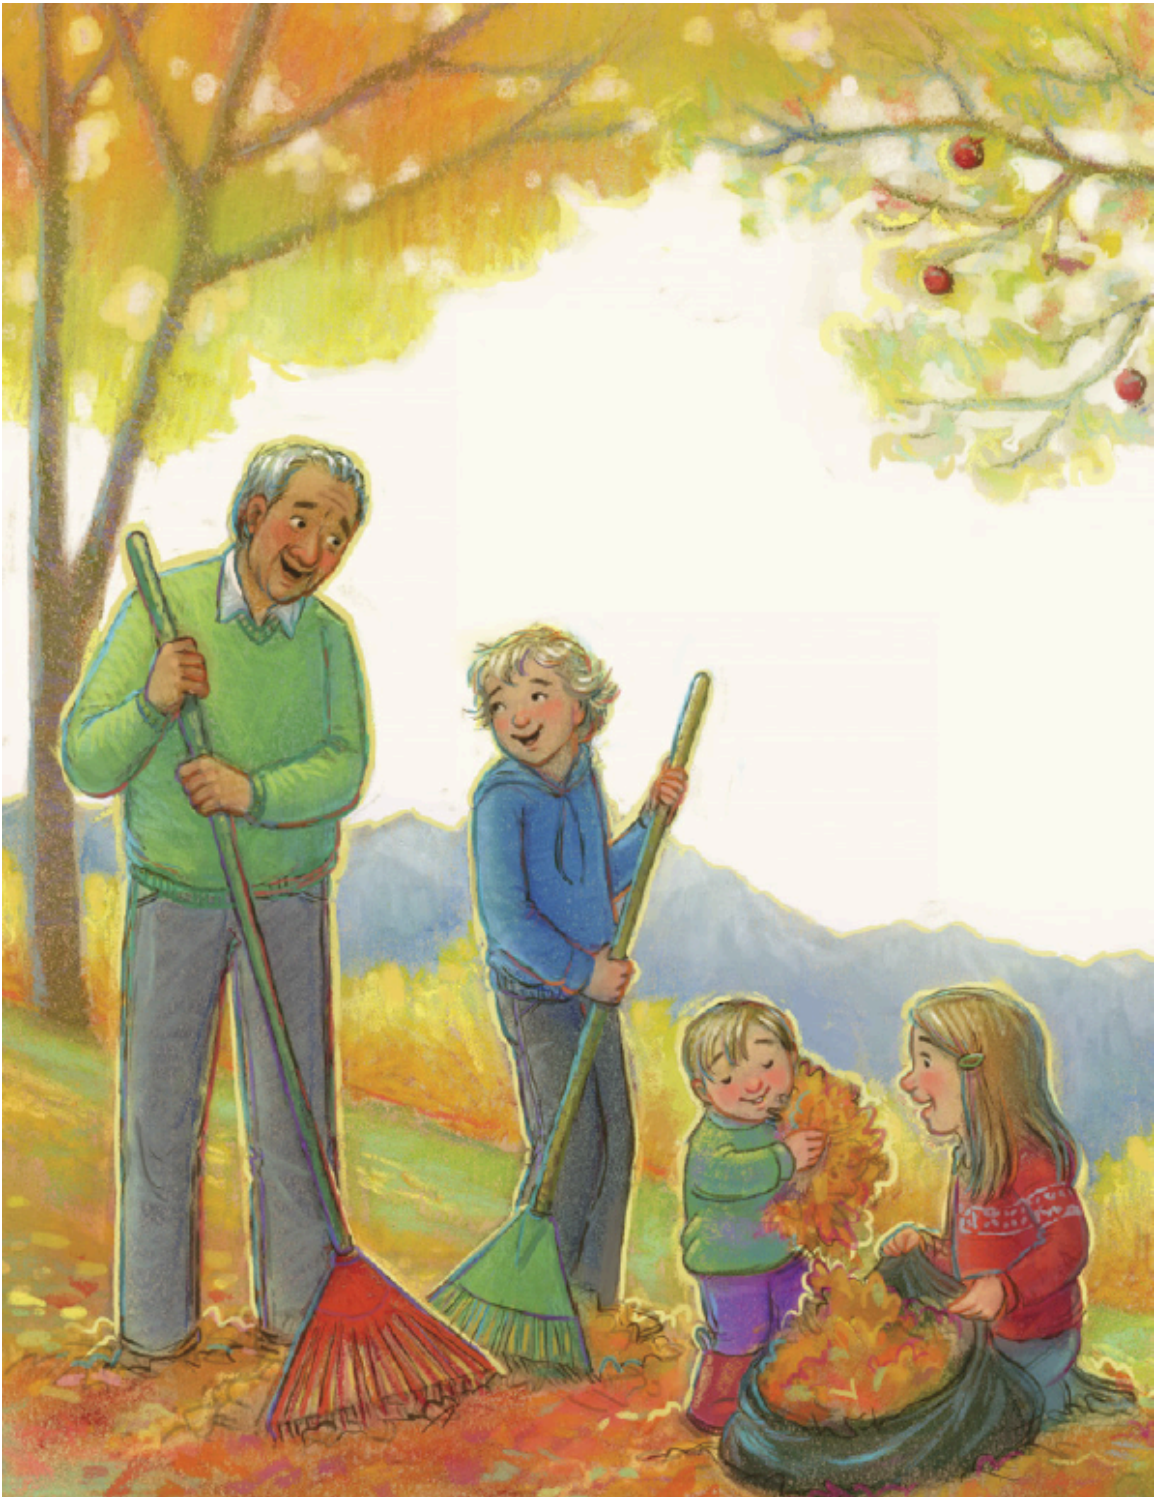

What measuring

tape will do?
With his love and a
great big hug

He shows me his

love is true
From where I stand

**I look up to you
Dad, you're
awesome!**

I'll always love you!

Snow forts and sand castles

Stories and songs

Hiking and biking

And games until

dawn

All in my memory

**Held close and
tight**

**These are the
measuring tapes**

That I like
From where I stand

**I look up to you
Dad, you're**

awesome!

I'll always love you!
How do you

measure my mom?

What measuring tape will do? With her love and a

great big hug

**She shows me her
love is true
From where I**

stand,

I look up to you

**Mom you're
awesome!**

I'll always love you!

Cookies and birthday cakes

Stories and songs

Flowers and dancing

**And talks until
dawn**

All in my memory

Held close and tight

These are the measuring tapes

**That I like
From where I stand**

**I look up to you
Mom, you're
awesome!**

I'll always love you!
