*Iriony walks in and sits on the floor, looking a little sad due to the previous day's events. *

O: So, if the stars align, *stretches* we won't get interrupted. *Looks at Iriony* So, what do you want to do today?

Iriony: I don't know, Uncle O...

O: Let me guess, you're sad because Golden is in the hospital?

Iriony nods her head

O: Do you want to explore the base?

*Iriony suddenly perks up after hearing "explore." *

Iriony: Sure!

O and Iriony head up to Gen 1

Iriony: Where are we?

O: Were at Gen 1 or the second floor.

Iriony: Who are they? *points at X and Marlowe fighting whilst Z and Green are trying to break it up*

O: That's X and Marlowe fighting... AND DESTROYING EVERYTHING!!!

O: Iriony, stay here!

Iriony does a little salute and stands there whilst O tries to break up the fight

O: Can you two stop fighting for five minutes?!

Z steps aside for a moment just for X to tackle Marlowe

Z: We've got this, O. *notices Iriony* Oh, are you babysitting Iriony?

O: Yes, I am. (whispering to Z) She's going to be a handful cause... you know.

Z (confused): No, I don't. What happened?

O: I'll tell you later. Just prevent those two from destroying everything!

O starts walking but turns around since he noticed Iriony isn't walking

O: Um, at ease?

Iriony stops saluting and starts to walk with O

O: Next up on what is O doing, E.

*As soon as O and Iriony get up to Gen 2, a saw blade comes out of E's room and hits the first floor. And even though Iriony didn't get cut by the blade, she looks like she did. *

E: How did that even happen?!

O: *Pops his head to the door* That just went flying! We have kids here you know.

E: What? Kids here?

O: Didn't I tell everyone that I have to babysit Iriony?

E: Gold and Iris' daughter? No, I didn't know that. Even if-

Iriony pokes her head through the door

E: -they shouldn't be here... Oh, so she's with you.

O: Yes? Why? They'll get chopped by a saw blade?

E: Yes!

*O and E keep talking but, without O or E looking, Iriony walks away and goes to A's room in Gen 3. *

A: Oh no, not another food stealer!

Iriony: What? I don't steal food, I eat food!

A: Oh, it's you. Did R turn you into a 6-year-old, Iris?

Iriony: Hm?

A: R, you know, the guy with the time powers.

Iriony: No...

A grabs Iriony's hand and takes her to R

A: R, change Iris back to her original age! I can't take kids stealing my food!

R: What? I never turned Iris into a 6-year-old.

A: Then who's this? *Rases Iriony up*

R: Isn't that Gold's daughter?

A (to Iriony): What's your name?

Iriony: My name is Iriony!

R: Yep! That's Gold's daughter alright!

A: *Drops Iriony with his hands in his face* I'm sorry... I thought you were your mom.

Iriony: Ow! That hurt!

----Cut to O looking for Iriony----

O: Iriony! Iriony! Iriony, where are you?

*O goes to Ciel's room where she is wearing headphones, not noticing O. *

Ciel (softly singing): Daughter from Elysium, we enter, drunk with fire, heavenly, your-

O knocks on the door

Ciel: GAH! O, why are you here?

O: I'm looking for Iriony! If I don't find her, Gold's going to kill me!

Ciel: Well, I haven't seen her.

O: Great, just great.

Just then he faintly hears R

R: You can't drop kids like that!

O bolts out the door to Gen 1

O: What are you two doing with my niece?!?!?!?

A, R, and Iriony: AHH!

O: Sorry, I didn't mean to yell.

R: Well, this bozo came into my office and thought that your niece was Iris.

A: What? They look the same!

O: Just, A go back to whatever you were doing, and Iriony, come with me.

O takes Iriony to his rarely used office

O: Dang, it's super dusty in here.

O walks over to a cabinet and grabs a random board game

O: Do you want to play Horrible Defendant?

Iriony: Hm? What is Horrible Defendant?

*O shows Iriony how to play the game and they play it for a while. Until they hear... *

Gold (yelling and crying): GOLDEN'S GOING TO DIE!!!!!!!!!!

*Iriony hears this and almost immediately starts to cry. *

O: Whaaaaaaaaaaaaattt?!?!?!?!

----Cut to Gold's office----

Gold is seen basically making a waterfall

Gold: My son's going to die!

Iris: I've told you Golden is okay. He's not going to die.

*Iris hears Iriony's crying and her heart sinks. *

Iris: Oh no...

When Iris gets to O's office, she sees Iriony crying and O trying to call the hospital

O: Gosh darn you, answering machine! *hangs up*

Iris: May I get everyone's attention, Golden is okay! He is not going to die!

*O calms down, but Iriony is still crying, running to her mother. *

Iriony: Mommy, w-why did Daddy say that Golden was going to d-die?

Iris: Daddy is just a little sad right now. Do you want to go home sweetie?

Iriony nods, still sobbing

Iris (to O): You need to get your brother together.

O (mouthing): You're his wife.
